This 2013 vintage of the Tondre's Grapefield pinot noir shows a wonderful interplay of oak spice, black cherry and red bing cherry fruit. Typical of the Santa Lucia Highlands, aromas of earth and spice come shining through making for a wonderful, complex aromatic experience. The palate shows plush, velvety tannins, a trademark of Sonnet pinot noir, and racy, spicy characters that mingle with the obvious cherry fruit all of the way to the finish.

Always unfined, unfiltered and hand bottled. 680 cases made.
